## **Letter of Transmittal**

To the citizens of Carmel:

The following is my seventeenth annual report of the business transactions of the Town of Carmel. No significant changes have occurred within the past year. Normal growth has taken place.

I believe the accounts show, fairly, how your tax dollars are being spent.

That part of the annual audit required by law to be published is contained herein. The full audit report is on file at the Town Office and available for your inspection.

Respectfully submitted:  
GLENNIS A. McSORLEY  
Town Manager

## **Report of Selectmen and Town Manager**

To the Citizens of Carmel:

At the annual Town Meeting last year, your approval to appropriate \$10,000.00 from Surplus to start development on the Recreation Area got the three committee members really enthused. They immediately found out the steps that had to be taken to apply for State matching funds. On April 5, 1984, a special town meeting was held to obtain your permission to apply for financial assistance under the provisions of the Land and Water Conservation Act, and to authorize the Selectmen to appoint a committee of five members to serve as a Recreation Committee. Members appointed were: Bernard Lindsey, Russell Treadwell, Guy Hawes, Jr., Charlyn Parsons, Jeffrey McGown, and Everett Stevens, Sr. (retired) as an alternate. The committee worked very hard throughout the year and much was accomplished on the Fields. For more information, please read the report of the Recreation Committee.

The State Revenue Sharing Funds received in 1984 amounted to \$30,759.26. \$26,501.74 was applied directly to taxes to reduce the tax rate, in accordance with State Law. The balance of \$4,257.52 was carried forward to be added to the amount of anticipated State Revenue Funds for 1985.

Federal Revenue Sharing Funds received for the year amounted to \$20,853.00 and were added to the Trust Fund. Appropriations of \$40,000.00 were approved at town meeting as follows: 25,000.00 for Town Road Tax, and \$15,000.00 to the Town Equipment Fund. The balance of the Turst Fund is deposited at Heritage Bank.

Fees collected by the Town Clerk for hunting and fishing licenses, dog licenses, marriage licenses, copies of births, deaths, marriages, etc., in the sum of \$1,059.75 were turned over to the Town.

The Municipal Agent collected a total of \$1,154.00 for vehicles registered at the Town Office. These fees were also turned over to the Town.

It was determined by the State vote in November that Boat Excise Taxes would remain with the Towns for their use. The amount retained by Carmel was \$884.80.

The Selectmen have approved and signed a new three year contract with Raymond Smith for rubbish removal. The contract increases by 5% each year. Mr. Smith requests that no more 50 gallon drums be used for rubbish as they are too heavy for one man to lift (especially with ice frozen in them). Please try and honor his request—in thanks for the excellent job that he and his crew are doing. The Selectmen also agreed to a five year contract with Sawyer Environmental Recovery Facility at a cost of \$14.00 per ton. (One year would have been \$18.00 per ton, three years would have been \$16.00 per ton).

We still have a contract with Tom Frost Disposal Service for Septic Sludge Disposal at a cost of \$900.00 per year.

The Boy Scouts took the job of delivering the Town Reports again last year. The Town contributed \$100.00 to their Troop. Thanks to all who were involved.

We want to thank all of the citizens of the Town, the various Board members, the Fire Department and Ambulance Squad, the Auxiliary, the Junior Firemen, the Recreation Committee, and the Constables for their services to the Town.

The Town Office is open daily from 9:00 a.m. to 5:00 p.m., Monday through Friday, and on Monday evening from 7:00 to 9:00 p.m., unless it is a holiday. The Selectmen meet each Monday evening at 7:30 p.m. You are welcome to attend any of their meetings.

Respectfully submitted:

## **Carmel Volunteer Fire Department**

To the Citizens of Carmel:

The Carmel Fire Department responded to 65 fire alarms, consisting of structure, chimney, car, mutual-aid, grass, woods and railroad fires.

We also responded to 82 miscellaneous calls such as, cleaning chimneys, pumping out cellars, burning grass, etc.

The time has come when the Fire Department should not be taken for granted, everyone should get involved physically, morally and/or financially.

You now have a small group of dedicated people spending many hours attending meetings, training sessions, cleaning chimneys, burning grass, fighting fires in all kinds of weather day and night, many times at a sacrifice to themselves and to their families.

We would like to thank everyone involved with the splendid recognition supper given us last spring. A special thank you to Jackie Smith for organizing it.

A thank you, also, to Verna Washburn and the Grange for their fund raiser and recognition night.

Last but not least, a thank you to the Fireman's Auxiliary for a fine job fundraising and just being there when we needed them.

Our meetings are the 2nd and 4th Tuesday of each month at 7:30 p.m. at the Fire Station.

Officers for 1985 are:

William Mixer, Fire Chief  
John Luce, Assistant Fire Chief  
Fred Emerson, Jr., Treasurer  
Robbie Jarvis, Secretary  
William Crowley, President  
John Nute, Vice President

# Carmel Volunteer Ambulance Service

To the Citizens of Carmel:

We are at that time of year again where we report to you our activities and accomplishments for the year 1984.

Our runs totaled 100.

Our fund raising event was the hunters breakfast, which was very successful. We truly enjoy doing the breakfast and greatly appreciate your support.

The training this year hasn't changed, we all have taken refresher courses to keep our skills and knowledge fresh. We do need more attendants. The daytime call list has dwindled due to members returning to the workforce. If you are interested, please come forward.

Our goals for 1985 will be again, community awareness. We plan to accomplish this through various community projects.

Again, we thank you for your support.

Sincerely,

GAYLE ALAIMO  
Chief

## **Simpson Memorial Library Report**

To the Citizens of Carmel:

The Simpson Memorial Library is open to all residents of Carmel. Our new hours are: Wednesday 3:30 to 7:30 and Saturday 9:00 to 1:00. We hope that this small extension of our hours will make it possible for more people to enjoy the library.

We would also like to mention again that you can borrow books from the Bangor Public Library through our library by using the inter-library loan. Also available at the library is information on the Books-

By-Mail program through the Maine State Library. These are books you can choose right from your home and have sent to you to read free of charge. The program pays the postage both ways.

We are sorry to have to report that this year saw the loss of one of the library's staunchest supporters, Sharon Nute. Sharon served as our librarian for several years and was president of the library at the time she resigned to move back to Massachusetts. Although we wish Sharon much success, she is sorely missed.

Last year we requested and received an addition to our budget. Besides extending our hours and adding to our book budget, we will be using our additional funding to finish our winterization of the library, with two storm windows and two storm doors. The chimney has been repaired and new cellar stairs have been constructed. We would like to express our thanks to the townspeople for the money that made these repairs possible.

## Carmel Recreation Committee Progress Report; 1984

To the Citizens of Carmel:

At the time of the 1984 Town meeting, the people of this Town were one year into a new undertaking; having their own comprehensive outdoor recreational facility. During the year 1983, a piece of land was purchased on the Five Road, exhausting the monies raised at the 1983 meeting. In 1984, an additional \$10,000.00 was raised, and it was decided to apply for matching Federal Funds.

It was learned after contacting the proper authorities, that applications for State/Federal grant money had to be submitted by April 20, 1984. It was also learned, that due to technical requirements of the law, a special Town Meeting had to be held; which it was, on April 5, 1984; to have the people authorize the administration of the Town of Carmel to apply for this money.

On April 20th, the Grant application, consisting of nearly 100 pages of data sheets, maps and statements, was mailed to Augusta.

In June, the Town was notified that the Grant had passed on the State level, but we would have to await final approval from Washington. Final approval on the Federal level did not come until late July, with meetings with them in early August. **NO WORK** could be done on the field itself until the final OK was received.

Actual work started the second week of August with roto-tilling for the Little League and Babe Ruth Fields. The work continued on through September and October with the stockpiling of the loam from the fields, grading the two fields, ditching and laying the land tile; and finally replacing the loam which had been removed earlier.

At the present time, the first two fields need to be seeded, which was not done last fall due to freezing. Along with a couple of backstops, dugouts and a place for mom and dad to sit, we are about ready to play ball.

Included in the plans for 1985 are finishing the parking lot, horseshoe pits, walking trails and picnic facilities, with the monies remaining in the account. (see attached treasurers report)

Space does not permit, so we, the Recreation Committee would like to take this opportunity to say a very special thanks to those individuals, companies and contractors, who donated so generously of their time and resources in making what we now have a reality, at a cost that borders on the unbelievable.

Respectfully submitted:

BERNARD A. LINDSAY, Chairman  
Carmel Recreation Committee

## Carmel Senior Citizens Club

The Senior citizens club of Carmel meets at the Carmel Snowmobile Club on the first and third Wednesday of each month.

1984 was a busy year. Some of our activities included taking part in three fairs. We had enough cloth given to us to make a child's quilt, which we sold raffle tickets on. Two pictures (also given to us) were given as a second prize on the same raffle. Other raffles included a pillow and a pair of pillow cases which were given to us.

The Rev. Kenneth Dale spoke to us at one of our February meetings and the Town Manager explained the Town Report to us at a March meeting.

Musical entertainment was provided to us by Alice Spencer, Gloria Anderson, and Hal Wheeler's Band. From our own club, we had Jack Boyle and Leslie Harvey with his violin.

In May, thirty-five members journeyed to the Wagon Wheel in Abbot to dine.

On October 6th, the club toured the Greenville area to view the foliage. Everett Garland was the driver of the school bus. We had an enjoyable time.

Our annual Thanksgiving Dinner was held at the first meeting in November. The Girls from Stetson cooked the turkey this year. Forty-one people were in attendance. Two dinners were sent out to those who could not attend.

The Club donated \$25.00 to the Fire Department and \$25.00 to the Ambulance. Their services are appreciated by all.

We prepared and delivered ten fruit bowls during the year.

We have about twelve new members.

Our Christmas party was held in December and then we went to the Wagon Wheel again for dinner.

All Senior Citizens fifty-five and over are welcome to come and join us.

## **Constables' Report**

To the Citizens of Carmel:

We have received and answered many types of calls throughout 1984. Over 1,200 hours of time have been given for your protection and safety. We have accumulated over 10,000 miles on our vehicles for Town Protection.

Besides answering your calls, we have made routine checks at the schools and businesses in Town. Several complaints have been investigated. Traffic warnings and summons to court have been issued.

Assistance has been given to the Sheriff's Department, State Police, Bangor Police Department, and to Game Wardens.

We have assisted the Fire Department and Ambulance on several occasions.

Respectfully submitted:

# Report of the Road Commissioner

To the Citizens of Carmel:

In 1984, the Town received \$39,435.00 from the State Local Road Assistance Program, which, after being added to the balance carried forward from 1983, gave us a total of \$55,356.61. From this amount, we spent \$18,832.72 for new construction on the Cook Road. The work was done by Earle McSorley and his crew. Berley Leavitt worked his truck also. Gravel was purchased and hauled from Etna. Lane Construction placed a hot-top binder mix on the dirt section of the road from the C.B. Luce farm to the foot of Lancy Hill and re-covered the old hot-top from the Luce farm back to the Plymouth Road, at a cost of \$27,600.90. We plan to use State Local Road funds to hot-top another section of the road this summer and to continue with the new construction—hopefully, to the Town Line.

The Town Road Tar money, \$26,876.41, was used to hot-top the Five Road from the four corners to the Town line. The work was done by Lane Construction.

Money which had been held over from Town Road Improvement Funds (\$3,478.02) plus \$4,035.00 from the Town Road and Bridge Account, was spent for new construction on the Murray Road. The work was done by McSorley and his crew. Bruce Fogg worked a truck, also. The gravel (1,715 yards) was purchased and hauled from Newburgh. We hope that the large trucks hauling wood through there this winter will be finished before the frost is out of the road!!

Safe Way Exterminating was hired to spray some of the roadsides where bushes had been cut last year. The cost was \$1,450.00. It should slow the re-growth in those areas. Time will tell.

During 1984, bushes were cut on the Murray Road, Ash Hill Road, and the Five Road. The work was done by Albert Day and William Provost. Billy said the snow got too deep too fast!

Robert Noyes and his crew replaced the driveway culverts on the north side of Preble Lane with larger ones, in hopes of correcting a problem of water overflowing and crossing the road. Another culvert crossing the road was lowered and fixed and some gravel applied.

The normal maintenance on the dirt roads, patching hot-top, lowering or replacing culverts, etc., has been done by McSorley or Robert Noyes. The grading was done the same as last year—Noyes doing the north side of Route #2 and McSorley doing the south side. Calcium was applied by both—as their roads needed it.

Our plans for 1985 include construction on the Haskell Road (which did not get done last year), maintenance mix on the Pomeroy Road and the Fuller road from the Horseback Road toward the Hermon town line, and the work on the Cook Road. Spot work will be done on some of the other roads throughout the summer.

Happy Motoring. Drive slow and stay alert.

Respectfully submitted:

GLENNIS McSORLEY  
Road Commissioner

# Auditor's Report

To: Municipal Officers  
From: Robert W. Norton, State Auditor  
Subject: **ADDITIONAL MATERIAL FOR YOUR CONVENIENCE WHEN PREPARING ANNUAL REPORT**

Title 30, Section 5253, Maine Revised Statutes Annotated of 1964, as amended, provides that the annual report shall contain the statement that the complete postaudit report for the **latest municipal year** is on file at the municipal office and the following excerpts from that report:

- A. Name and address of the auditor.
- B. Auditor's comments and suggestions for improving the financial administration.
- C. Comparative balance sheet.
- D. Statement of departmental operations.

ROBERT W. NORTON  
State Auditor

Board of Selectmen  
Town of Carmel  
Carmel, Maine 04419

We have examined the financial statements of the various funds of the Town of Carmel for the year ended December 31, 1984, listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Town has not maintained a record of its general fixed assets, and accordingly a statement of general fixed assets, required by generally accepted accounting principles, is not included in the financial report.

In our opinion, the financial statements listed in the aforementioned table of contents present fairly the financial position of the Town of Carmel at December 31, 1984, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

The accompanying supplemental information is not necessary for a fair presentation of the financial statements, but is presented per statutory requirements and as additional analytical data. The information has been subjected to the tests and other auditing procedures applied in the examination of the financial statements mentioned above and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

**TOWN OF CARMEL**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED DECEMBER 31, 1984**

**1. Summary of Significant Accounting Policies**

The accounting policies of the Town of Carmel conform to generally accepted accounting principles as applicable to governmental units.

**A. Basis of Presentation**

The accounts of the Town are organized on the basis of funds or account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenues and expenditures. The various funds are grouped by type in the financial statements.

**Government Funds**

**General Fund**—The general fund is the general operating fund of the Town. All general tax revenues and other receipts that are not allocated by law or contractual agreement to another fund are accounted for in this fund. From the fund are paid the general operating expenditures, the fixed charges and the capital improvement costs that are not paid through other funds.

**Fiduciary Funds**

**Trust Funds**—Trust funds are used to account for assets held in trust by the Town for others.

**B. Basis of Accounting**

The modified accrual basis of accounting is followed by the governmental funds. Under the modified accrual basis of accounting, revenues are recorded when received in cash except for property tax revenues which are recorded as deferred tax revenues unless collectible within sixty days following the year end. Expenditures, other than interest on long-term debt, are recorded when the liability is incurred.

**C. General Fixed Assets**

The Town does not maintain a record of its general fixed assets. Expenditures for property and equipment are charged against departmental operations whenever such items are purchased.

## 2. Property Tax

The Town's property tax for the current year was levied August 1, 1984 on the assessed value listed as of April 1, 1984 for all real and personal property located in the Town. Taxes were due October 31, 1984 with interest at 15% on taxes paid after the due date.

## 3. Deferred Tax Revenues

The National Council on Governmental Accounting (N.C.G.A.) Interpretation No. 3 requires that property tax revenue be recognized to the extent it will be collected within sixty days following the year end.

### Prior Period Adjustment—

The January 1, 1984, general fund balance has been restated to comply with the accounting specified by the pronouncement of N.C.G.A.

	<b>Fund Balance Restated</b>	<b>Deferred Tax Revenues</b>
Fund Balance-January 1, 1984	\$253,726.23	
Deferred Tax Revenues at December 31, 1983	( 59,834.00)	\$ 59,834.00

Decrease in Deferred Tax Revenues for Year Ended December 31, 1984		( 6,566.57)
		<u>\$ 53,267.43</u>

## 4. Deferred Credits

Deferred credits represent items received during the current accounting period but to be used as revenue in the subsequent year. These accounts were as follows at December 31, 1984:

Tax Acquired Property	\$ 50.00
State Revenue Sharing	<u>4,257.52</u>
Total	<u>\$4,307.52</u>

**5. Pension Plan**

Eligible Town employees are covered under the Social Security System. The Town's contribution to the Social Security System was approximately \$1,561.00.

**6. General Fund Budget**

The Town operates on a net budget as compared with a gross budget. All revenues are not estimated, but are credited to the particular operating account. Certain revenues are dedicated for particular purposes by vote of the townspeople at the annual or at special town meetings.

At the annual town meeting, held in March of each year, the townspeople vote on various articles on which, amounts for appropriations have been recommended by the Board of Selectmen and/or the Budget Committee.

**7. Designated for Capital and Special Reserves**

Capital and special reserve accounts for various purposes have been established in the past by statutory provisions or by vote of the townspeople. These accounts amounting to \$87,792.87 at December 31, 1984 were invested in time deposits, a certificate of deposit and repurchase agreements.

**8. Designated for Subsequent Years' Expenditures**

Historically, unexpended departmental balances are carried forward to the following year for expenditures. This is usually in lieu of additional appropriations in any particular account.

At December 31, 1984, the following operating account balances were carried forward:

General Government	\$ 1,944.56
Protection	6,696.83

---------------------------	---------------------------

**10. Vacation/Sick Leave Accruals**

The National Council on Governmental Accounting Interpretation No. 4 requires employers to accrue a liability for future vacation and sick leave benefits that meet the following conditions:

- a. The employer's obligations are ascertained by employee's service already rendered.
- b. The obligation relates to rights that vest or accumulate.
- c. Payment of compensation is probable.
- d. The amount can be reasonably estimated.

The accruals for the Town of Carmel are not material and need not be disclosed.

**11. Trust Funds**

Trust funds of \$17,230.29 for cemetery perpetual care, library and school and ministerial purposes were held in trust by the Town. This amount, which represents the principal of \$13,547.71 and unexpended income of \$3,682.58, was invested in the time deposits and a repurchase agreement.

**12. General**

The use of excise taxes, transfers from surplus and federal revenue sharing funds for current year operations were voter authorized. The townspeople also authorized the selectmen the use of highway block grant funds as they deem necessary.
